FUNCTIONAL ACCOUNT NAMING CONVENTION

- ❑ Principle: The name of functional accounts should in CAMEO should be identical with the underlying EOW account name.
- ❑ Limitation: CAMEO account name cannot exceed 30 characters.
- ❑ Principle: Special characters like "/ \ ", ":", " ' "are not allowed. For separation between groups of characters may be used "_" character.
- ❑ Military naming convention : already used for EUMS needs.
- ❑ New Member States joining EOW /CAMEO may include new Civilian organizations, e.g. "MOD" = "Ministry of Defence" with specific Civilian codes for DEPARTMENT and POSITION.
- ❑ Proposal for CAMEO accounts naming convention: follow the existing Military naming convention with extended name space to accommodate Civilian codes for ORGANIZATION, DEPARTMENT, POSITION e.g.
ORGANIZATION = {OHQ, FHQ, MOD, other potential Civilian codes},
DEPARTMENT = {CJx, IM, Senior, Medior etc}, POSITION = {INFOSEC, TRNG, MDW etc}
