[TC-MR12-53]   Official Quote Automation – "Keywords" field
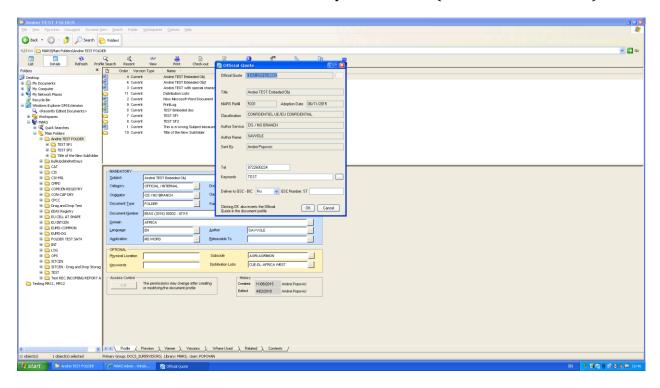

is single value

Result: BUG

Reason: The Official Quote can be filled in/updated with any values, other than the ones from the predefined list.

Add Keyword Steps

1. Type in "TEST" keyword (not in the list)

2. Click "OK". Result: the form is saved with keyword "TEST" (should not be allowed)

Update Keyword Steps:

1. Selected an Official Quote for update (HR-COM (2016) 00004).

2. Deleted previous keyword.

3. Typed in "TEST".

4. Clicked "OK". The Official Quote was updated to "TEST".
